

**Model 648PROG**  
**Side-by-Side Refrigerator/Freezer**

Born of 100% steel (and a good bit of bravado), the Model 648PROG is a true masterpiece of preservation. Its glass door, sculpted metal, dual refrigerator with three evaporators and advanced controls marry performance and design in a bold new way for home refrigeration. So it not only keeps foods magnificently fresh, it brings the whole kitchen tastefully up to date. Model 648PROG can be built-in or used in a free-standing application.

*Model 648PROG shown in a built-in application. Also shown is Wolf Model DF486C dual fuel range.*
