

24" Drawer Microwave Oven

As true cooking instruments, Wolf microwave ovens have features that make fast meals better meals. With easy access to the food, drawer microwaves can be built in undercounter or in a wall application. They are designed to match the trim style of Wolf E Series ovens and can be installed in a standard or flush inset application.

Features

- Classic stainless steel finish.
- Trim style matches Wolf unframed E Series ovens.
- Can be installed in a standard or flush inset application.
- 950 watts of power with one cu ft of interior drawer space.
- Interior easily accommodates a 9" x 13" pan.
- Easy-to-operate control panel has 11 programmable power levels.
- Sensor cooking to monitor and adjust settings.
- Micro warm allows you to keep food warm up to 30 minutes.
- Interactive display—99 minutes, 99 seconds.
- Window in drawer allows you to view food as it cooks.
- One-touch pads to open and close the drawer.
- Control panel can be deactivated or locked.
